USDA Extends Eviction Moratorium, Foreclosure Moratorium, and Mortgage Forbearance Deadline to March 31, 2021

The purpose of this announcement is to inform lenders of an extension to the foreclosure and eviction moratoriums, and the forbearance deadline for all USDA Single Family Housing Guaranteed Loans Program (SFHGLP).

Foreclosure and Eviction Moratorium Extension:

Effective immediately, borrowers with USDA guaranteed loans are subject to a moratorium on foreclosure until March 31, 2021. The moratorium applies to the initiation of foreclosures and to the completion of foreclosures in process.

Similarly, evictions of persons from properties secured by USDA guaranteed loans are also suspended until March 31, 2021.

In addition, deadlines of the first legal action and reasonable diligence timelines are extended until March 31, 2021.

Forbearance Requirements and Deadline Extension:

Lenders should continue to provide impacted borrowers relief in accordance with the CARES Act by offering forbearance of the borrower guaranteed loan payment for up to 180 days. In addition, the initial forbearance period may be extended up to an additional 180 days at the borrower's request. Lenders should outline potential solutions that may be available at the end of the forbearance payment and explain to borrowers that a lump sum payment of the arrearage will not be required.

During the forbearance options outlined above, no accrual of fees, penalties or interest may be charged to the borrower beyond the amounts calculated as if the borrower had made all contractual payments in a timely fashion.
